## Make Puff (MP):

[Wrap yarn round hook, insert hook into next st (ch sp), draw yarn up to meet hook in horizontal position] 3 times, yarn round hook, draw through all 7 loops to complete.

## Notes:

Dealing with yarn ends: I tend to sew yarn ends in as I go along – doing this makes the finishing process much easier as you will have less to do. Sewing yarn ends in as you go along also means that you are less likely to lose stitches or make errors with your tension.

## Blocking:

The size and shape of the crochet pieces will change once they are blocked.

The back of the cushion panel in particular changes shape by quite a lot.

Pre Blocked the piece looks rectangular, but blocked it pulls out to square – it is a good idea to block your pieces before embarking on the making up process.
